*Today, your gift today multiplies
4 times to save more lives!*

Dear [REDACTED],

Your help is urgently needed.

War, conflict and natural disaster are making this one of the worst years in recent memory for people facing the world's toughest challenges. Millions have no food, no water, no shelter, no hope. They are suffering and many are dying. But you can help.

Please make a special gift of \$20 or \$30 today – and your gift will go 4 times further to save the lives of men, women and children. Every \$1 you send today will provide \$4 in critical, lifesaving assistance to people in desperate circumstances.

You can make a difference for families around the world in ...

... **Syria**, where war has forced more than 11 million people to flee their homes with little but the clothes on their backs, about half of them innocent children ...

... **Puerto Rico**, where Hurricane Maria destroyed homes, devastated communities and left many families with almost nothing ...

... **South Sudan**, where a brutal conflict has placed millions at risk of hunger, starvation and famine. Without food, water and shelter, they cannot survive ...

Please help them by making a generous gift to Mercy Corps today. Your tax-deductible gift will save even more lives, because it will be combined with donated supplies and grants. This means your compassion will go 4 times further to help vulnerable people.

- Your gift of \$20 will provide \$80 in clean water, food and critical aid.
- Your gift of \$30 will provide \$120 in clean water, food and critical aid.
- Your gift of \$50 will provide \$200 in clean water, food and critical aid.

*Every \$1 you
give provides \$4
in lifesaving aid!*

Mercy Corps is able to provide this kind of support because we leverage your gift – **turning every \$1 into \$4 in lifesaving aid for people in desperate need around the world.**

You see, when we demonstrate the support that you and others provide, we're able to secure additional funds through government and foundation grants. It's our commitment to working as efficiently as possible – and making your gifts even more powerful!

Tod, this is an amazing opportunity to multiply your compassion 4 times over. You can provide 4 times as much lifesaving shelter to Syrian refugees ... 4 times the resources that families need to recover and start to rebuild their livelihoods in Puerto Rico ... 4 times as many tools and seeds to help hungry families in South Sudan grow the food they need to survive.

Why should you give your hard-earned dollars to our worldwide humanitarian relief efforts? The answer is simple. When you partner with Mercy Corps, you will save and transform the lives of people facing the world's toughest challenges. And your gift will be multiplied 4 times.

Thanks to the kind hearts of people like you, Mercy Corps has responded to almost every major global disaster in the last 20 years.

In 2010, when an earthquake struck Haiti, Mercy Corps reached more than 1 million people with emergency supplies, clean water, cholera prevention and jobs. Mercy Corps responded when a tsunami struck Japan, when a hunger crisis threatened millions of lives in the Horn of Africa and when earthquakes devastated Nepal.

You can be assured that we'll make the most of every dollar you give. **For the past five years, more than 87 percent of our resources have gone directly to programs that help people in need.**

In times like these, your help is critically needed. In Syria, Puerto Rico, South Sudan and dozens more countries in crisis, people desperately need food, water, shelter and the basic necessities of life. They need your help ... and today, your gift will have 4 times the lifesaving impact.

Please make your gift go 4 times as far ... and touch 4 times as many lives ... by sending a generous gift to Mercy Corps today.

Sincerely,

Neal Keny-Guyer
Chief Executive Officer

P.S. This is a terrible time for people who suffer as a result of war, conflict and natural disaster. Please take advantage of this special opportunity to provide them with 4 times more food, water, shelter and the resources to strengthen their communities for the long term. Sign your Emergency Aid Voucher and return it with your gift and reply form right away. Thank you!
